

## THE PREMIER SUBURB! WOODLAND HEIGHTS

Nearly \$70,000.00 worth of lots in this great suburb have been sold by us since January 1, 1909. The reasons are that full value is given for every dollar invested, that this property has *real merit* and a great future; and last but not least, our clients find the property better in every respect than we represent it to be.

RESIDENCE OF MR. A. A. ADKINS.

### *This Delightful Bungalow*

Is nearing completion in Woodland Heights, and will be sold to a desirable client at a very reasonable price. It commands beautiful views of the river and city, and is in the Riverside Road section—one of the choicest to be found.

We shall be glad to show it to you. This is a rare chance to secure an artistic, practical home at a price you cannot duplicate.
